Iris Greene posted:

I was so fortunate to share being MOM with Jayne to our children, David and Julie, and to have Jayne as my friend and grandmother partner of Sadie and Eliza. We had a wonderful relationship, and together celebrated holidays, birthdays, attended concerts, recitals, all for the love of our family. I miss her already and send my deepest sympathies to the Chew family and her many close friends. May her memory be a blessing. Iris Greene

David and Julie created the warmest, comforting atmosphere for Jayne and I to be the best mothers-in-law and grandmas especially after we lost our spouses and I felt warmly welcomed by all of Jaynes family and friends. I'll cherish the wonderful memories.
