A few of my favorite memories of my grandpa Dennis is every summer I would fly from Vegas to Cleveland to stay with grandpa and Grandma Barbara for the entire summer and Grandpa Dennis and I would stay up late watching Wipeout laughing our butts off and grandma yelling at us to be quiet another one is every Saturday night during summer we would go outback and sit around the campfire with my uncle Neal, aunt Andrea, my cousins Neal Ray, Denny and Daniele, my second cousin Bill and my dad; if he is in town, and then on Sunday mornings, grandpa Dennis and I would watch cartoons. He always called me his love bug because I was always hugging on him, sitting right next him any chance I found. There are many many more but I'm going to leave it there, for now. Grandpa, I love and miss you so much and you will always be in my heart. And we will see each other again. Rest easy.
