Dan and I were partners in the foundry on 2 mold line for a while. Dan was a great partner, but he was a better person and i was lucky to call him my friend. May peace be with you and your loved ones.

I have enjoyed 60 years of holidays, picnics, celebrations, fish frys and gatherings just because.. I will miss the stories, conversations, laughter, his kindness and of course his ornery side. Danny never knew a stranger. He will be dearly missed.

Growing up, I thought of my cousin, Danny, as a big brother. He was always kind and funny. We are blessed to have known him. I imagine, he's now having a lively debate with his dad and four uncles about who has been misspelling and mispronouncing our last name for all these years! Is it pronounced Make-rich, Mike-rich, Make-ree, Mac-ree? A great family is a great family, no matter how you spell it. Our condolences to all Danny's family and friends. Met Dan through my friend CeCe Miller. She adored him and he supported her and our Spirit of Lift Performing Arts group. After CeCe's passing Dan continued his support for the group-attending our performances and after-show dinners. Always a smiling face. Will miss seeing him around. Rest in Peace Dan My Condolences to Joe and the entire Maichrye family.
