OCT 24, 1944 - MAY 9, 2025

**B**obbie Sue Zimcosky Born 10-24-44  
Passed away peacefully on 05-09-2025

Bobbie was the daughter of the late Greene and Patricia Kathy (nee. Deskins) Bryant, and the beloved sister of Pat Bryant, Billie Bryant, and preceded in death by her siblings Bonnie Bryant Widner (Deceased), Wanda Bryant Messer, Sidney (aka Babe) Bryant , Thurmond (aka Tunney) Bryant , Karnell Bryant , Kenneth Bryant, and Doris Bryant Shelton.

She was the proud mother of five children: Della Lowe Warner, Keith Lowe, the late Timothy Lowe, Angela Lowe Rutter and Scott Lowe (wife, Meg Ann Sivertson Lowe). She was also a loving grandmother to Nicholas Warner, Ronald Dissette, Megan Dissette, and the late Ryan Carlile; and a proud great-grandmother—“GiGi”—to Mason Dissette, Layla Khalid, Lina Khalid, Hailey Dissette, and Harlowe Khalid. Her love extended to many nieces and nephews, all of whom she adored.

In her early years, Bobbie was well known throughout Ohio as a talented country music artist, performing at local venues, festivals, and community events. Her voice and spirit captured the hearts of everyone who heard her sing throughout her life. A self-taught savvy businesswoman, she later found success selling mobile homes and eventually devoted her days to nurturing children through the home daycare she lovingly operated. Her house was always filled with laughter, love, and the comforting smells of her cooking.

Bobbie had a rare gift for making everyone feel welcome. Her kitchen table was a gathering place for friends and family alike—a place of conversation, connection, and comfort. She loved to cook, give gifts, and surround herself with the people she loved. Her greatest joy came from being “Granny” and “GiGi,” and she devoted herself wholeheartedly to her grandchildren and great-grandchildren.

Granny, thank you for always being so kind to me. I'll never forget the first time we met and you sang "Amanda" by Waylon Jennings - that moment has always stayed with me. Thank you for the love and care you've always shown Nick. It means more than words can express. We miss you and love you!

I have many fond memories of Mom because no matter where she lived I was always invited to her home, for birthdays or Christmas or Easter or any special occasion. If we couldn't be together we would always talk on the phone. She always had good positive advice or guidance whenever I needed it. No matter how much older I got, she said I will always be her baby♥ I tried to visit her every chance I got as she spent her later years in a nursing home. I always brought her her favorite snacks or a good meal and we would sit and enjoy each visit and talk about all the memories we made down through the years. I loved her very much and she always told me she loved me, it was always the last thing we said to each other. And that was what was said the last time I saw her. I will miss her all the rest of my days, until that glad day when we meet again in God's Kingdom. Until then Mom, like you always told me "get you some rest". ♥ I Love you Momma, your son Scottie.
