Viv, Vonnie, & family. The last time I talked with Wanda was April 9th 2024. She was sharing pictures of Bobby's girls with me. She was trying to help the girls reconnect with Josh. In the 40 plus years that we've all known each other I think what stands out most to me about Wanda was her kindness and always trying to fix everything. She like to portray that she had a hard shell but she was a softy at heart. If there was somebody to take care of, she was going to do it! She stepped up so many times with Ed, Grandma Tench, Bobby, his kids, and so many others. She really did have a heart of gold. She also had a wicked sense of humor lol One thing I know without a doubt, she loved her nieces and nephews 💜 She was so proud of all of them. I can still hear her voice bragging about her two sisters and how she thought the world of both of you and Calvin. I know she is up there with your parents, Calvin, Bobby, Brian, and and others talking up a storm lol All of you are in our thoughts, hearts, and prayers as you mourn the loss of your Sister. We decided to plant a tree in her memory. Sending all of you lots of love and hugs 🤗 Janice, Ryan, Mel, & Justin Love, janice

I agree she touch everyone she seen or talked to and animals i loved her so much to love our animal family. She would come to my house i meet her in the driveway cause my stairway so I would sit with her and talk play with her new 4l legged family she would take in. She will be missed and loved always.
