Rhonda Lee Wozniak (nee Schumann), 78, passed away on May 24, 2025. She was also a proud grandmother to Alyssa Kiersten Brady and her 4-legged canines, Missy and Hermonie.

Rhonda was the middle child of three, and is survived by her siblings, Trudy and Chris. She was known for her caring nature, love of music—playing piano, organ, and violin—and her deep commitment to family, always putting them first. She will be remembered with love by all who knew her.

I always loved going over to her house to celebrate Christmas and enjoying my favorite food, little hot dogs that she always made!! She got me hooked on so many of my favorite foods. She was always putting family first no matter the circumstance and always had a smile on her face! She was the best Grandma I could ever ask for! You will forever be missed but also forever in our hearts! I love you Grandma and your memories will always live with us forever and ever!

I will recall my Aunt Rhonda with only the best memories! She was kind, caring and funny. She called everybody "honey." I loved when she really laughed because she would throw her head back and let out a big chuckle. She had a great sense of humor. She always said "love you, bye-bye" at the end of every conversation. Well, Aunt Rhonda I love you too, but I'm not going to say bye-bye. I'm just going to say so long for now. You were truly the best among the best.
