My condolences to Charlie's family. I knew Charlie all through grade school to high school and was a friend as well, to my husband Fred Watson. We grew up 2 streets away. I remember in the early 70's driving around in his red Chevy (I think) that had very large bubble lights on the back dash!! He was a free spirit always smiling and having fun. Charlie randomly stopped over our house a couple years ago, sat and reminisced with us for over 3 hours, mostly just to see how we were doing. What a kind gesture, but that was Charlie. Strange, my husband and I were just saying that we should get in touch with him. In reflecting, when that still small voice whispers in your consciousness to do, something don't hesitate to follow the nudge. To his family and close friends, I know he will be missed. God's Blessings be with you all. Sincerely, Betsy Gartner Watson

I worked with Charlie for 35 years. When I first started he took me under his wing and showed me the ropes. We became good friends. If anyone was ever in a jam at the shop he was always the first one there to help. He was a great guy to work with and a great friend. He is already missed. My deepest condolences to his entire family.

Charles was a regular visitor at the Madigan's up in Canada. Had a great last visit and conversation with Charles in September 2022 when Clint brought him up for his last trip. Talked about how they found the Madigan's Cabin back in the mid 1950's. Our prayers & thoughts to all the Family. Bryan and all the Madigan's
