Just thinking of Mary. Photos come up reminding us of you and we never thought that the last time we saw you that we wouldn't see you again. Rest in peace.

The story goes that Mary and my mother, Nadene, became friends in the fourth grade. Mary 's version was that my mom, with the cutest little braids that "looked just like Heidi" shyly approached Mary and asked "will you be my friend?" Friends they remained, through various ups and downs, for over seventy years. So Mary was always a presence in my life. She gave the best Christmas presents! Which included things that were a little too messy that my mom wouldn't buy, like watercolour paints. As a very young child, I looked forward every year to Halloween, when I would go trick or treating with Glenn and Mary's stepchildren. More recently, when my husband and I visit Ohio, a highlight of our trip was often Mary and Glenn inviting us and my parents to their home. Mary was an excellent hostess and these gatherings were always appreciated.
