those that passed before him, the deep closeness he shared with all of his siblings was a constant in his life and a reflection of the love that defined him.

Richard dedicated more than 30 years of his career to Ford Motor Company, retiring as Health and Safety Supervisor, where he was respected for his leadership and care for others. He later spent 16 years at North Olmsted Golf Course, a place that blended his passion for golf with the love of community.

One to never sit still, Richard found joy in many things- golf, music, The Cleveland Browns, Ohio State Football, The Cleveland Indians, airplanes, trains, puzzles- but above all, he found the greatest fulfillment in the company of those he loved.

Richard will be remembered not only for his hard work and dedication, but the warmth of his smile, the laughter he shared, and the love he gave so freely. His legacy of love, quiet strength and family devotion will live on in the hearts of all who were blessed to know him. Heaven has gained a gentle soul whose memory will be cherished forever.

A service to celebrate Richard's life will be held at 315 Vista Circle, North Olmsted, OH on Saturday, September 27, 2025 at 2:00 p.m., where family and friends may come together to pay their respects and find comfort in one another.

Grandpa was always there for everyone. He was a great man. We had many memories, especially when we worked on his mustang and went cruising around together.

When I was looking for a new home, Richard enjoyed going along and looking at all the houses with me. What impressed me was he knew every road and street and we never got lost.
