# Lynn "Toot" Schwendeman

FEB 11, 1953 - NOV 20, 2025

Lynn "Toot" Schwendeman, born February 11, 1953, passed away on November 20, 2025, surrounded by love. He was the cherished son of the late Jack Schwendeman and Margaret (née Sands), and the devoted husband of Vickie (née Goins), his best friend and partner in life.

Lynn's greatest joy was his family. He was a proud and loving father to Amber (Christopher) Bates and an adoring grandfather to Tyler, Ava, Ryleigh, Carter, and Jackson. His heart was as big as his smile, and his family always came first. He is survived by his brother Daniel Schwendeman and preceded in death by his sister Cheryl.

Known for his warmth, humor, and generosity, Lynn was a true family man who loved nothing more than spending time with those he cared about. He enjoyed golfing, bingo nights, baseball, basketball, and cheering on his beloved Ohio State football team. His friendships were deep and lasting, and his presence could light up any room.

Throughout his life, Lynn worked in wholesale and even spent time as a substitute teacher, sharing his kindness and wisdom with others. He lived fully, loved deeply, and left behind a legacy of compassion and joy.

Lynn will be remembered not only for the life he lived but for the love he gave. His memory will forever live in the hearts of his family and friends.

A visitation will be held on Friday, December 5, 2025, at 10:30 AM at Sunset Chapel, located at 6245 Columbia Road, North Olmsted, Ohio 44070. Immediately following the visitation, funeral services will begin at 12:30 PM at the same location.

Following the service, a graveside ceremony will take place at 2:00 PM at Resthaven Memory Gardens, 3700 Center Road, Avon, Ohio.

Toot and I had an interesting relationship, to say the least. I'll always remember his deadpan delivery and his sense of humor. Sending all who knew and loved him my condolences.

One of my most favorite memories with Toot is sitting together in my garage having a smoke and listening to music together. I played every song he asked to hear. Together we did a lot of listening and little talking. However the words that were spoken were some of the most important ever to me. I promised him I would take care of Vickie and Amber. I promised that I would always treat Amber with the love and respect she deserved. His response meant the world to me. He turned his head looked me in the eye, he smiled and said I know. You're the best son in law I could ever have asked for. Thank you. Toot I will miss you daily and I know I'll see you again some day. Love you

Daddy, There are not enough words to describe how amazing you are! I will forever picture you dancing listening to music 🎵 I'll be listening to music with you again one day 🎵❤️🎵 "You'll Be In My Heart" 🎵❤️🎵 Come stop your crying It will be alright Just take my hand Hold it tight I will protect you From all around you I will be here Don't you cry For one so small You seem so strong My arms will hold you Keep you safe and warm This bond between us Can't be broken I will be here Don't you cry 'Cause you'll be in my heart Yes, you'll be in my heart From this day on Now and forever more You'll be in my heart No matter what they say You'll be here in my heart always Why can't they understand the way we feel? They just don't trust what they can't explain I know we're different but deep inside us We're not that different at all And you'll be in my heart Yes, you'll be in my heart From this day on Now and forever more Don't listen to them 'Cause what do they know (what do they know)? We need each other To have, to hold They'll see in time I know When destiny calls you You must be strong (you gotta be strong) I may not be with you But you've got to hold on They'll see in time I know We'll show them together 'Cause you'll be in my heart Believe me, you'll be in my heart I'll be there from this day on 🎵❤️🎵 Now and forever more 🎵❤️🎵
