I will miss Marty. We were like brothers. I have good memories of us fishing together. We always had a great time laughing and joking. "So long" my friend. Until we meet again.Ed Lavelle

Marty was the best brother anyone could ask for. Growing up we always had different opinions on just about anything or everything, but we always ended up always agreeing with each other.We fished together as kids and when we were all grown up.I was so very grateful that I got to see him last month and talked with him the night before he passed.He will always be close to my Heart, and he knew how much I loved himRest in Peace Marty. I Love you
