I'm in Local 270. Mary Jo was absolutely the person you'd want in your corner as an advocate."Those who knew Mary Jo understood that she would go to the ends of the earth to fight for anyone who needed her voice, her courage, or her support."I didn't know her well, but this is absolutely true. There is nobody you'd want to back you up on an issue more than Mary Jo. She had a feisty personality that was truly unmatched. She will be missed by many people in Local 270.I am so sorry for your loss.
