# Constance Erdelac

JUN 10, 1941 - DEC 1, 2025

**C**onstance Erdelac, age 84, passed away peacefully on December 1, 2025. Born on June 10, 1941, to the late Joseph and Elsie Erdelac, Constance lived a life filled with love, creativity, and devotion to others. She is survived by her cousins, Robert (the late Audrey) Dobrinic and Michael (Joanne) Dobrinic, who cherished her deeply.

Constance graduated from Thiel College with a bachelor's degree in education and dedicated her career to teaching first grade at Lakewood City Schools. She touched countless young lives with her patience, kindness, and passion for learning.

She was known for her thoughtful gestures—often sending cards and letters adorned with her signature swan drawing, a symbol of her grace and warmth. Constance treasured her family and friends, always finding ways to stay connected and uplift those around her.

Her love of the arts was evident in her frequent visits to Playhouse Square, where she delighted in performances that celebrated creativity and culture. She also enjoyed traveling with friends, seeking out the beauty of art and nature wherever she went. At home, Constance found joy in tending her flower garden and feeding the birds, creating a sanctuary of peace and beauty.

Constance's legacy is one of kindness, artistry, and devotion to the people and passions that enriched her life. She will be remembered fondly by all who knew her.

In keeping with her wishes, Constance will be cremated and laid to rest at Sunset Memorial Park, North Olmsted, Ohio (Fountain of Memories, Niche 130).

Miss Erdelac was my first grade teacher and I just adored her. My daughter, Lea, had her for 1st grade to. Lea loved penguins and she would always something to her regarding penguins for many years after Lea had her for a teacher. She was a kind, caring, loving person and teacher. I will truly miss you!PS.. She had told me I could call her Connie but that seemed disrespectful to her.

One of my fondest memories with Connie was our annual Fall trip to Niagara-on-the-Lake to attend the Shaw Festival. It was an idyllic town with gorgeous flowers, numerous wineries and restaurants, cute shops, and a variety of entertaining shows. We stayed at the best hotel in town, the Prince of Wales. Connie always made all of the arrangements. I'm going to miss her! She was one of a kind and the best friend anyone could have!Deborah

I will cherish the good times we had eating tiramisu and having coffee on your porch. I will cherish the times we would laugh and talk about everything. Thank you for everything that you've taught me and for being there. I am lucky to have met you ❤️.
