Charlotte ❤️ and Dale ❤️ My Aunt and Uncle saved Abby my daughter who was 3, 4 years off age at the time.. And myself at a young age in Arizona. Going through a divorce..... for the Lord ✨ wanted me out! They where retired and helped me with finances and organization.... And how I should go about it all.. while keeping US Happy. ☺️ ☺️ Also after My Aunt passed .... Dale and I kept very close contact with each other daily texting and calling as much as I could. We helped each other out dealing with our daily trials and tribulations and laugh of fond memories from the past or present time. He was my best friend..... Sincerely truly with deep love for both of you..... Your niece Brianna .....
