From day one on the Cleveland Police Department, Dave was a pleasure to be around. Working in the Impact Task Force, you knew that when Dave and his partner Tom Magyar arrived, things were going to be ok. The photo attached to this obit captures everything you want to know about Dave. In this moment of sadness, it only brings back great memories of his demeanor and sense of humor. My deepest condolences and sympathy to his family and close friends. Thank you to his family for sharing him for four decades. Greg Baepler, Retired CPD
