Randy Allan Dworznik

OCT 26, 1952 - FEB 8, 2026

Randall “Randy” Allan Dworznik, age 73, of Strongsville, Ohio, passed away peacefully with his family by his side on February 8, 2026. He was the beloved son of the late Albert and Evelyn Dworznik.

He is survived by his best friend and loving wife of 43 years, Terri Dworznik (nee O’Brien), a partnership marked by loyalty, laughter, and deep affection. Randy built a life grounded in devotion—to his family, his work, and the things he loved.

He was the proud father of Jillian (Eric) Drellishak, Chad (Chelsea) Dworznik, and Eric (Christa) Dworznik, and the adoring grandfather of Harlow, Everett, Cade, Cooper, and one on the way. Nothing brought him more joy than time spent with his grandchildren; they were the light of his life, and he cherished every moment with them.

Randy is also survived by his dearest sister Renee, his brother Russell, and a host of friends and extended family who will remember his kindness, humor, and steady presence.

A lifelong sports fan, Randy could often be found cheering on his favorite teams with enthusiasm that filled the room. He had a deep love of music and an appreciation for the way a good song could bring people together. Known for his strong work ethic, he approached every task—big or small—with dedication and pride.

Randy’s legacy lives on in the family he loved so deeply, the values he instilled, and the countless memories shared with those fortunate enough to know him. His warmth, loyalty, and gentle spirit will be profoundly missed.

Memorial Visitation will be held at Sunset Memorial Chapel, 6245 Columbia Road, North Olmsted, Ohio 44070 on Friday, February 27, 2026 from 10:00 a.m. until 12:00 p.m. Memorial Service will be at 12:00 p.m. with burial to follow at Sunset Memorial Park (Abbey Cremation Trail 3, #83).

I worked with Randy for a number of years at NASA Glenn Research Center. Randy wasn't just someone I worked with—he was part of the fabric of our daily lives. A steady presence in meetings, a voice of reason under pressure, and often, a source of strength in quiet moments. He brought integrity, reliability, and humour to the workplace. He didn't seek credit, for the effort he gave. Whether offering help before being asked or checking in after a tough day, he went beyond what was expected. I honour his memory not only with words but with the respect he earned. He left behind not just completed projects, but a legacy of kindness, teamwork, and quiet leadership.

I'm proud to say that I introduced Randy and Terri...and Randy introduced me to his music of the 80s. I still think of him every time I hear one of the songs. I will miss his sarcastic humor and laugh. Love, Bobbi.

We knew the first day we met Randy, he was a honorable and welcoming man. Randy always greeted us with a big smile and made us feel like family. So happy we were able to share with him Chad and Chelsea's wedding, and the birth of their children. His kindness and love will be missed, but we know he will be watching and protecting all his family from above. Rest In Peace, FriendBridget and Brian O'Neill

Randy was one of my favorite people I've ever known and someone I sadly spent way too little time with to be satisfied. I never saw him without a smile and the only time I ever saw him seeming "off" was around the time David Bowie died haha! I remember seeing him at some family get-together and he looked a little less perky than his normal self but I remember it like it was yesterday. I greeted him as I always did "hey Randy, how you doing?" But this time was different. He looked me dead in the eyes and shook his head and goes "Chris... we lost Bowie! What else matters today!?" I remember looking at him and we both just burst out laughing so hard together because it was such a pure and hilarious moment. I know this is a silly story but that stuck with me ever since and I always laugh when I think of it. Randy and I did not know each other all that well or for all that long but we bonded over music (among other things) and I would text with him when Kara and I were living in Chicago and he would sometimes share music he thought I would like (and was usually right)! I remember one time Kara looked over at me late one night and asked me who I was texting and I laughed and said "your uncle" and she was beside herself sort of laughing but obviously confused. All this is to say that Randy was a pure, genuine good-hearted soul and someone I always respected for how he treated others and made them feel. What little interaction we had was always pleasant and he will be so dearly missed. Randy is one of the few fortunate people who can say he left this earth burning almost no bridges. I don't know anyone who didn't enjoy his company or who could have a bad thing to say about him. So few people can say that! He leaves an amazing legacy in the wonderful family he raised and the people who were lucky enough to know him. I loved him dearly and will always think fondly on our brief but meaningful time together. Much love Randy! I will miss you! - Chris

My deepest sympathy on the passing of Randy. Such a nice person and fun to be around. I wish I could find the picture of you all as the Wizard of Oz. I wish I could be there for the services as it meant so much, Terri, that you came to my mother's. Love to all.
