Melenda "Mindy" Smigelski

JUN 2, 1983 - MAR 6, 2026

Melenda "Mindy" Smigelski was a loving wife, sister, aunt, daughter-in-law, cousin, and friend. Though she has passed on, her warmth, kindness, and the memories she created will forever live within each of us. We will remain forever grateful for her care, her compassion, and the love she so freely gave. We will love and miss her always.

Mindy adored her husband, Michael, loving him "to the moon and back." They were inseparable, like peanut butter and jelly, perfect complements to one another in every way.

She held a deep love for her Grandma Linda Vest, who raised her as a daughter. Her brothers, Robert and James, were always close to her heart. Mindy cherished her nephew Luke and her nieces Kenzie and Willow, spending as much time with them as possible. She treasured sleepovers, birthday parties, and every moment she could share with them.

Her cousin Kelly was like a sister, and their bond was irreplaceable.

Mindy also had a special place in her heart for her many beloved pets. She adored her dachshunds—Dipper, Dobby, and Binx—as well as her cats Jinx and Diava. She even doted on her three chickens, Bubbles, Ginger, and Honey. Each one was part of her family.

Mindy had a true passion for creating a warm and beautiful home. She loved decorating for the holidays, making crafts, and baking, her desserts were legendary within the family.

A deeply nurturing soul, Mindy always hoped to be a mother. After a family member, Lizzy, recently experienced a miscarriage, the family finds comfort in believing that Mindy is now holding and caring for that precious little one in heaven.

She touched the lives of many, and her memory will be carried in our hearts forever. In lieu of flowers, donations may be made to her husband, Michael Smigelski.

Melenda and I were sisters by marriage but friends from the start. She and I always enjoyed our time together, she was the baker and I the cook. The one thing I was always blessed with was my boys were her nephews and she loved them unconditionally and always made time for us when we visited. She will forever be missed and there will be a void in our lives that cannot be filled.

I've known Melenda since she was a little girl and watched her grow into a beautiful young woman. Her and her grandmother were my neighbors. She had the most beautiful hair and I was always happy to help her style and color it for several of her highschool functions. She also cared for my daughter when she was little. She was always so eager to do nice things for all the younger kids on our street. Buying teen magazines and cutting out pictures and making collages for my daughter was one of the sweetest things. She will be missed greatly. She was just one of those people that could get along with most everyone and was always respectful to her elders. I loved her and her grandma Linda very much. So many fond memories.
