“ When we were children, for many years our family came to visit after Thanksgiving. I always looked forward to our visit because I was so excited to see Cherri. She spent time with me, she was a teen and I thought she was so beautiful. She would polish my nails, and we would talk. I always thought of her as the older sister I wish I had and was always sad when it was time to go home. I am so happy that I got to see her this past summer. I had a wonderful time reconnecting with her. I'm sad that I won't have another chance to do that. I'll always remember her kindness and I will miss her. My condolences to Bobby and Kelly. Your cousin Adrienne

“ I will miss my Dear Friend with all my heart. We shared many many good times and bad together. I will remember all our good times in Naples Florida. She was the best cook. Always was happy to feed people. Was so kind and generous. Was a great listener and comforter. She left us too early. So much more to say. Cherie enjoy your new life.
