“ I was a childhood friend of Christy and Heather. I remember being at her house, sometimes even more than mine. She treated me like another one of her children and also corrected me when I needed it. She was a mom to all of their friends and made everyone feel welcome no matter what was going on. I had the pleasure of speaking to her on Facebook a couple of years ago and I was able to tell her how much she ment to me. I also asked her for her recipe for chicken pot pie because I watched her many times make it and it was so good. I remember being at her house and seeing all of her owls everywhere so I started sending her pictures of them on Facebook. I remember being older than Eddie and picking on him so much. BTW I am sorry Eddie. Lol I love Laura so much and I know she is in a better place now. The entire family is in my thoughts and prayers and I love you all. This is only temporary. Until we meet again Laura. Love always.
