“ So sorry to hear this, Michael went from a real rookie 9th-10th grade Quarterback, small and not experienced to an outstanding and error-free quarterback as a senior at John Marshall High. His outstanding character, dedication and coachability were the keys to his leadership as a Senior. Mike was absolutely SOLID !! GREAT kids like Michael are what made coaching so much fun ! You have my deepest sympathy, Asst. Coach Bob Seedhouse

“ My heart hurts and is so broken. The fun times we had keep running through my thoughts. The memories of my sweet funny loving boy that loved doing everything with me. Golfing, playing and watching sports, our trips to the beach, camping, canoeing, hanging out at grandma and grandpa's house, scuba diving, going to Niagra, and many more..... but just hanging out with you was so much fun. We joked, we laughed and we cried. But most of all I love you more than everything in the world from the day I first felt you move in my belly. The day you were born, my love for you grew even more. I love you son, I will miss you more than anyone can imagine. I'm so numb. I love you. I pray you are at peace. You will always live in my heart.

“ This is crazy, little brother. I had hoped to see you as an old man someday. But you were too young at heart to ever grow old. You'll always have a piece of my heart. May you be a peace.
